There can only be one Primary Business Partner per company. This person is considered the responsible member. You can add additional Business Partners by filling out the Additional Business Partner application and paying the appropriate fee. If any Additional Business Partner leaves the company the Primary Business Partner should notify the EPCAR office in writing. Should the Primary Business Partner leave the company, a new primary contact can be designated by updating the Primary Business Partner Application (membership Dues will not apply as long as the Dues have been paid for the current year and the change occurs within the same year, however a change fee may apply).

\*While your Business Partner Membership recognizes you as a member of EPCAR it does not include voting rights and/ or privileges that are REALTOR® specific.
